

Nobody beats our toasted subs. Nobody.

Every Quiznos sub is made with the finest quality ingredients and is flawlessly designed to not only add extraordinary flavor to the sandwich, but to make the perfect recipe for toasting. Your Quiznos sub is toasted so all the flavors of the ingredients – from the premium meats to the real cheeses – burst through in every toasty bite.

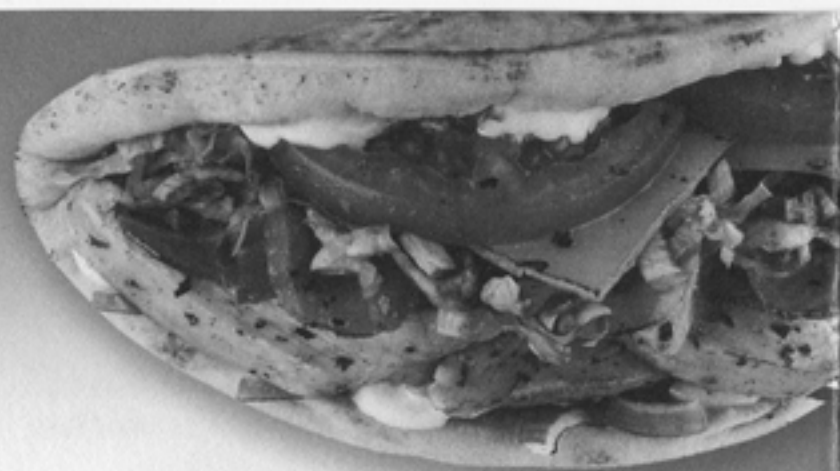

Soups, the old-fashioned way. (Is there any other way?)

Stop the wheels of progress. Close the laptop and hang up the cell phone. It's time to sit down and enjoy a cup or bowl of Quiznos special recipe soup. Four to choose from, all made the way soups should be made – with fresh ingredients, simmered slow, served hot.

Broccoli Cheese

Keep the flavor, kick the carbs.

Every Quiznos Sub recipe is available on our Low Carb Toasty™ Flatbread. These delicious sandwiches deliver all the toasty flavors you expect – with our premium meats, rich cheeses and fresh veggies – but with fewer overall net carbs*.

* Net carbohydrates = total carbohydrates - (minus) dietary fiber - (minus) alcohol sugars. Some items need dressing eliminated to achieve low net carbs.

Wait, don't stop now!

Make your meal complete with a soda or iced tea and Quiznos chips – 7 flavors to choose from. And don't forget dessert. Quiznos Signature Cookies are the perfect ending to the perfect meal.
